

## Dumke Bio

Brad Dumke  
Co-founder and COO  
EquityHealth

Brad Dumke has spent 19 years helping two Electronic Health Record companies (as CEO and President/COO) build talented teams and robust customer service, software product, and business intelligence suites for the hospital and outpatient markets. In those roles, Brad made health insurance decisions for his employees and their families for over 10 years including transitioning two companies from traditional PPO to HDHP/HSA plans. Brad has also worked as a consultant in the telehealth, medical device, general hospital IT, post-acute, and revenue cycle management sectors. Brad is a Certified Health Value Professional and Certified Outcomes Report Analyst.
