Course navigation

The CVHP program is comprised of 14 modules (courses). Click on a module in the course list to open that module's start page. From there you can begin the course or return to a section you already began.

This is also where you can **download additional references** noted in the course, and access the module's exam.

Taking an exam

Exams are a series of multiple choice questions. You may pause and return to the exam as necessary; there is no time limit for completion.

To receive credit for the module toward your CHVP certification, a passing score of 80% or higher is required. If you do not receive a passing score, you can retake the exam until you do.
