

Carrie Aiken, CHC, Vice President, Corporate Compliance/Chief Compliance Officer, **Navitus Health Solutions**

Carrie serves as both the Vice President of Corporate Compliance and Navitus' Compliance and Privacy Officer. She manages compliance-related work plans and risk assessments and participates in the development of policies and procedures, education, reporting, FDR oversight, risk analysis and mitigation. Carrie seeks to maintain the momentum of Navitus' current compliance state and to deliver its message to clients, pharmacies and members. She also actively ensures integration between operations and compliance as Navitus grows and new risks emerge.
