

Health Rosetta co-founder, tech entrepreneur, and former securities attorney

Sean Schantzen is the CEO and co-founder of Health Rosetta. Prior, he cofounded Healthfundr, the leading online private healthcare investing platform. Sean was an early employee at a successfully exited enterprise SaaS startup, where he worked in product and ran sales for the Eastern U.S. Sean is also a securities attorney, having worked at a large firm on complex securities investigations, litigation, and transactions.

Sean received his B.A. from BYU and his J.D. from the University of Minnesota where he graduated magna cum laude. He was also a managing editor of the Minnesota Journal of Law, Science, and Technology. Sean has a certificate in International & European Law from the Université Jean Moulin in Lyon, France.
