

Tom Heatherington is passionate about driving meaningful change in the health industry through business transformation, a passion that he brings to the Contigo Health team as the Chief Network & Strategy Officer. He has more than 20 years of success as a consultant at Accenture and ADVI, introducing business transformation, innovative solutions, and capabilities to the health industry, including payers, providers, government health entities, and life science organizations. Heatherington has a B.S. in business administration from Robert Morris University and an MBA in capital markets and a master's in health administration from the University of Pittsburgh. He is an Adjunct Faculty Member at the University of Pittsburgh Graduate School of Public Health, an avid fly fisher, and an acro yoga practitioner. Heatherington and his family live outside of Pittsburgh.
