

As the Senior Director of Network Operations, Matthew Malin leads the daily operational activities of Contigo Health's Network Division providing oversight of the administrative and servicing activities of the network and its customers. Malin brings over 24 years of provider relations, provider contracting, and payor operations experience to Contigo Health. Prior to joining the Contigo Health, Malin was responsible for provider recruitment, contracting and acquisitions at Allegheny Health Network and Provider Contracting at Highmark Blue Cross Blue Shield. He holds BSBA in Health Services Management from Robert Morris University and a MPM from Carnegie Mellon University. Malin and his family live outside of Pittsburgh.
